These 3 ELEMENTS – make up the D-N-A of any healthy body.

This DNA needs to be evident in **EACH CELL** – not just in the body as a whole.

When we start small – and do these things well in *small groups* (two or three) – then God will cause the growth to be *great*.

1. The Kingdom of God is *great* – **numerically**.
2. The Kingdom of God is *great* – in **significance**.
3. The Kingdom of God is *great* – in **outreach**.
“shooteth out great branches”

III. The Kingdom of God attracts DEVILS v.32b

Mark 4:4 & 4:15 – define the fowls as the **devil**.
Job 40:15 & 40:22

DON'T BE SURPRISED!

Matthew 7:15, Revelation 2:13, 2 Corinthians 11:14-15

How do we determine who is being used by an unclean spirit?

Conclusion:

If we FOCUS (*our VISION*) on doing these **SMALL** things well ...
... then the Kingdom of God can grow **GREAT!**
